Further comments

The best part of the day was:

discussing problems - seeing that there were others who felt like I did.

The worst part of the day was: The rain!

The directions (or lack of them) to the hotel from the train station.

Improvements.

To improve the day I would:

I came here with a specific intention. Was that intention satisfied?

I have been introduced to possible methods, which, if I change the way I teach now, will help.
(hopefully)

Further comments

The best part of the day was:

Discussion of the ideas, link up to the real classroom situation.

The worst part of the day was:

The food & service ~~was~~ took too long.

Improvements.

To improve the day I would:

A bit more discussion in whole class management instead of individual pupil / group.

I came here with a specific intention. Was that intention satisfied?

Got more ideas that I can try in my classroom.
