### Content

Please write a few words about the content of the course. Was it to you expectations – was the material covered of use?

Yes, it was excellent, lots of useful tips and ideas

### Delivery

A range of topics were covered today. Was the delivery at a speed and style to your liking?

Yes, didn't just waste time, got straight to the point. This meant that there was more time to look at even more ideas

### Resources

Were the resources appropriate to your needs?

Yes and good to have it on a memory stick

Have you been on any other courses – if so, in general terms, how did this course compare to the one(s) you have been on elsewhere?

This is probably the best one because of the density of ideas all packed into one day

<sup>1</sup> Hooray! That means it's time to go! ☺

## Topics

For you, was there a 'best' and a 'worst' topic of the day? If so please briefly explain a bit more....

worst was probably the props presentation, although it does make you aware that you can use props in novel ways

## Facilities

What did you think of the hotel – the facilities, the conference rooms etc?

OK

What for you, was the high point of the day? <sup>2</sup>

It was all good

How could this course be improved? (Do not feel compelled to answer this....)

Are you willing to recommend other Oxford School of Learning courses to other members of staff?

Yes

### Content

Please write a few words about the content of the course. Was it to you expectations – was the material covered of use?

I wasn't sure what to expect but I wanted to come away 'enthused'. At the moment I have so many ideas bugging around my head that the enthusiasm will last until September!  
All the material will be off use - but it was the understanding of why we should use it that was so good

### Delivery

A range of topics were covered today. Was the delivery at a speed and style to your liking?

Yes - No time wasted and lots covered

### Resources

Were the resources appropriate to your needs?

excellent

Have you been on any other courses – if so, in general terms, how did this course compare to the one(s) you have been on elsewhere?

good - you involved us, made us think but you provided the focus.
