Content

Please write a few words about the content of the course. Was it to you expectations – was the material covered of use?

Absolutely! Lots of content but not too rushed.

Delivery

A range of topics were covered today. Was the delivery at a speed and style to your liking?

Yes. Speed was constantly monitored to make it appropriate.

Resources

Were the resources appropriate to your needs?

Yes. Amazingly generous resources.

Have you been on any other courses – if so, in general terms, how did this course compare to the one(s) you have been on elsewhere?

Much more interactive and very sociable. Really nice to speak to others and share ideas. At no point was I bored!

¹ Hooray! That means it's time to go! ☺

Topics

For you, was there a 'best' and a 'worst' topic of the day? If so please briefly explain a bit more....

The 'worst' was the thinking hats - intentionally so.
I really liked the 'an 1 backed' play idea. Something I'd never have thought of!

Facilities

What did you think of the hotel - the facilities, the conference rooms etc?

Room a little small perhaps but lunch ok. Nice hotel.

What for you, was the high point of the day?²

All of it! I just really enjoyed it and felt very inspired by it.

How could this course be improved? (Do not feel compelled to answer this....)

Perhaps longer - sessions to discuss some planning ideas with the other teachers - how will we actually use for a real lesson next week?

Are you willing to recommend other Oxford School of Learning courses to other members of staff?

Absolutely!

Content

Please write a few words about the content of the course. Was it to you expectations – was the material covered of use?

Having not taught sociology the material was useful ~ as I go through the year it will become increasingly so.

Delivery

A range of topics were covered today. Was the delivery at a speed and style to your liking?

The pace was good and we covered a lot of ground

Resources

Were the resources appropriate to your needs?

Yes.

I will feed back to other members of the faculty ~ the resources will be widely used.

Have you been on any other courses – if so, in general terms, how did this course compare to the one(s) you have been on elsewhere?

The politics courses I have been on were focused on recent developments
